Electrolux

RRP AUS $699.00 }
6kg clothes dryer with Sensor Dry System, temperature settings, reverse tumbling action, stainless steel drum, and option to mount on wall.

Product Details

Features

Sensor Dry
The Sensor Dry has 3 dryness level to select and it dries your clothes just right, without overdrying.

Ideal temperature settings
Select from Normal, Delicate and Airing to suit your different needs.

Crease Free Option
After the drying cycle ends, the drum automatically rotates periodically to minimise creasing.

Child safety device on door

Wall mount option with reversible control panel decal

Durable stainless steel drum

Delay start option

Efficient Reverse Tumbling Action
Tumble action alternates clockwise to anti-clockwise, reducing clothes tangling and bunching together, so they dry more evenly and quickly.

Clean Filter Indicator
A reminder to clean the filter, keeping your dryer running in optimal condition, saving time and energy.

Product Details

Benefits

Sensor Dry
Sensor Dry gently and precisely dries your garments for exceptional results. This easy-to-use program will also save you precious time and energy.

Ideal temperature settings
With a range of normal, delicate and airing settings, even your most precious items are in safe hands. The lower temperature settings ensure your delicates are dried gently and effectively.

Efficient Reverse Tumbling Action
Tumble action alternates clockwise to anti-clockwise, reducing clothes tangling and bunching together, so they dry more evenly and quickly.

Crease Free option
Now you can minimise creasing even when youre not there to unload your dryer. The drum rotates periodically after the drying cycle ends until you switch it off. This gives you fresh, crease-free clothing when you unload.

Clean Filter indicator
You wont have to worry about remembering to clean your filter again. With regular cleaning, your filter will help keep your dryer running at its best. The filter is simple to clean and easily accessible when the door is opened.

Specifications

PRODUCT PROFILE

Domestic warranty details (yrs)	2
Dryer Type	Exhaust venting front/rear
Capacity (Kg)	6
Wall mount option	supplied with unit

DIMENSIONS

Total height (mm)	795
Total width (mm)	600
Total depth (mm)	620
